

Book II - The Spiral and the Block

Part 2 - The Mythology of Media

Chapter 11 - The Three Skywalkers

ORIGIN — EP06C: The Three Skywalkers

Date: 2026-03-23 **Author:** Sage Clokey **Claude's role:** Drafted full script from Sage's raw idea

Sage's Original Words (verbatim)

the three skywalkers are each very strong with the force but when raised in a worldly order become evil but when raised outside that order in exile become true agents of the force.

What Claude Was Asked To Do

Sage confirmed the pattern (Anakin raised in Jedi Order → Vader, Luke raised in exile → redeems father, Ben Solo raised in new Jedi Order → Kylo Ren). This was first woven into EP06B as a new section, then Sage asked for a standalone episode focused entirely on this pattern. Claude drafted the full Star Wars Mythology of Media episode.
